**HOUSE/FOSTER PARENT DATE NIGHT**

---

## IMPACT

---

A Date Night package provides a much needed night off for the house/foster parents of Goshen Valley. These house parents assume the parenting role for 8 boys at a time in their house on The Ranch. Similarly to the house parents, foster parents assume the parenting role for sibling groups in foster care. In an effort to provide extra support and love to these house parents, we have introduced the House/Foster Parent Date Night Package.
