**WELCOME BASKETS**

---

## IMPACT

---

A welcome basket provides personal, essential things for a young man to use for his "fresh start." Through a welcome basket, young men feel valued, loved and cared for on the first day they step foot onto our Ranch campus. In addition, many young men come to Goshen Valley with nothing more than the clothes on their back. This gives us an opportunity to give them something they can call their own.

## INSTRUCTIONS

---

**STEP 1:** Buy supplies to assemble the baskets (young men ages 11-18). Supplies listed below.

**STEP 2:** Assemble the baskets.

**STEP 3:** Praying over the young man who will be receiving the items.

**STEP 4:** Call Evan Ingram at (678) 448- 6207 to schedule a time to deliver the basket.

### NOTES:

Suggested supplies for DIY: Many will use a laundry hamper to assemble the basket, holding the rest of the supplies. Supplies needed: A twin comforter and a new set of twin sheets, a new pillow, two towels/two washcloths, a radio alarm clock (It is very soothing for them to have music to listen to on their first night), a laundry hamper, Bible, hygiene products (brush or comb, shampoo, body wash, toothbrush, toothpaste). You can include other small items like a candy bar or snack.

This is a great project to put together with a small group, a friend group, or family members.
