MUST MINISTRIES

CHILDREN'S FIRST AID KIT

IMPACT

The dynamics of the local homeless population have changed and MUST Ministries is serving more women and children at their shelter and day service center locations (Smyrna, Canton, and Marietta). Homeless and struggling families often go without essentials, such as first-aid items, that we take for granted. Providing these items enables MUST clients to use their financial resources for food and shelter and helps provide them with needed healthcare.

INSTRUCTIONS

STEP 1: Spend some time learning about MUST Ministries and the services they provide. Check out their website at mustministries.org

STEP 2: Discuss as a group how you will purchase and collect your supplies.

STEP 3: Set a date to bring the items to small group. Fill bags with the supplies listed below.

STEP 4: Spend some time praying for the individuals who will use the supplies.
