MUST MINISTRIES

SHELTER GUEST KIT

IMPACT

The dynamics of the local homeless population have changed, and MUST Ministries is serving more women and children at their shelter and day service center locations (Smyrna, Canton, and Marietta). In addition to providing the normal food and clothing services, they are taking extra steps to provide Shelter Guest Kits for those staying with them.

INSTRUCTIONS

STEP 1: Purchase and collect the tote bags and full size health and beauty aid items.

STEP 2: Assemble the tote bags.

STEP 3: Spend some time praying for the individuals who will receive the bags.

STEP 4: Deliver the Shelter Guest to the Must Ministries Canton location.

NOTES:

Items: Tote bags, toothbrushes, toothpaste, deodorant, shampoo, conditioner and disposable razors.

Option: include small Bibles or any spiritual information the group feels inclined to share. You may also include any small decorations that you would want in your own home.

This is a great project to put together with a small group, a friend group, or family members.
