

Be Rich Service Project

Woodstock City Church & Lighthouse Family Retreat

We can't thank you enough for volunteering your time to help Lighthouse Family Retreat better strengthen families going through childhood cancer. At Group Night Out you will be filling gift bags that will be a treat for children staying in the hospital on the Aflac Cancer floor at either Eggleston or Scottish Rite. As you can imagine, hospital stays aren't fun and this season they are even harder with restrictions on visitors and volunteers.

INSTRUCTIONS
